STUDENT SHOWCASE FEB 5th!

Time has come for another Student Showcase! Our Student Showcase will be held Friday February 5th from 7-8:30pm. If you have not yet had the pleasure of attending one, a Student Showcase is a special night of student performances where our students can show off their dance moves to friends, family, and everyone in our EuroRhythm community. We are always so impressed with how talented and hardworking our students are that we want to give them an opportunity to show everyone what they got! If you are a student interested in participating in the Showcase then let your instructor know immediately so (s)he can get you started on an exciting routine. If you are interested in

attending this sensational showcase then call today to buy your tickets because we are only selling 60. Presale price is \$12 for adults and \$7 for kids. Tickets purchased at the door are \$15 for either kids or adults. Come watch the performances and let our students inspire you!
